Pastor's Corner

Dear brothers and sisters:

We make plans and God - and architects and contractors and building engineers - laugh. A few weeks ago I mentioned we would be starting the completion of the repairs to the second floor large room in the community center about now. The observant among you have noticed things are still quiet in the community center. An engineer missed providing some information on the ceiling repair, so our excellent building engineer is updating his drawings, which we should have in about a week or so, **and then we'll have to amend the permit we** obtained last month!

In addition, the building engineer suggests that we add shear plywood panels to all the walls for greater structural integrity in the event of an earthquake. This means we may also need to amend the contract for repair we submitted to the Archdiocese.

While the structural plans are being solidified, parishioner Cheryl Santoro and Sr. Joyanne are working together with the architect on the interior design of the upstairs room. It will be a multi-purpose room for large meetings, lectures, day retreats, overflow Masses on Christmas and Easter, dances, concerts, movies, and more.

The heavy rains the Good Lord sent this winter, we discovered some leaks in the roof, which we repaired last month using some of the Building and Maintenance money we have built up over the years.

While you may wonder when we're ever going to finish this work, the architect and contractor both assure me that when the work begins, it'll move quickly. I'm told it'll take about sixty days to complete the repair once we begin.

But there I go – planning again!

Circle V

Would you like to create a wondering wanderer? Sponsor a child at Circle V Summer Camp. St. Vincent de Paul has operated this glorious summer camp in the Santa Barbara area since 1945. NASA scientist Tom Nolan credits Circle V with giving direction to his awe of nature and inquiring mind. Nolan was a poor kid in the 1960's when he was sponsored for Summer Camp. He has been a self-described wondering wanderer ever since. You can learn more about Circle V and hear Tom Nolan's story on the NPR podcast at this link.

To sponsor a child write your check to **Circle V Summer Camp /St. Dominic Conference of St. Vincent de Paul**. Enrollment fills up quickly, so we are registering our campers early! You too can create a future NASA scientist with your generosity.

DID YOU KNOW?

Pray for the healing of abuse victims. Each of us, as members of our Catholic community, can contribute to the healing by remembering survivors of abuse in our prayers. The following prayer is from the USCCB.

Holy Spirit, comforter of hearts, heal your people's wounds and transform brokenness into wholeness.

Grant us courage and wisdom, humility and grace, to act with justice.

Breathe wisdom into our prayers and labors.

Grant that all harmed by abuse may find justice.

We ask this through Christ, our Lord.

Amen.
