TODAY'S READINGS

First Reading — My word will achieve the end for which it was sent (Isaiah 55:10-11).

Psalm — The seed that falls on good ground will yield a fruitful harvest (Psalm 65).

Second Reading — We, who have the firstfruits of the Spirit, groan within ourselves awaiting the redemption of our bodies (Romans 8:18-23).

Gospel — Some seed fell on rich soil and produced fruit (Matthew 13:1-23 [1-9]).

The English translation of the Psalm Responses from *Lectionary for Mass* © 1969, 1981, 1997, International Commission on English in the Liturgy Corporation. All rights reserved.

“After Communion today, Jesus told me how much He desires to come to human hearts. Know, My daughter, that when I come to a human heart in Holy Communion, My hands are full of all kinds of graces which I want to give to the soul. But souls do not even pay attention to Me; they leave Me to Myself and busy themselves with other things. Oh, how sad I am that souls do not recognize Love! They treat Me as a dead object.”

Divine Mercy in My Soul, (Diary, 1385)

TOWARD HEAVEN

COMMUNITY CENTER UPDATE

You may have noticed the first part of the renovation project has started. Teams from VanCrest construction have completed the demolition work on the main walls and ceiling that was necessary in the large second floor room. In addition to repairing and renovating that large room, the first floor has seen some construction work, too, as part of a seismic reinforcement of the building. Eight large new posts are being inserted into the walls from the ground floor foundation to the roof. This will add strength to the entire building. This is the reason the building is closed for any use for the rest of July.

In addition, a “girdle” of plywood will be added to the second floor to help reinforce the building and protect it from earthquake damage. When we begin to renovate the first floor, this extra strengthening measure will be used there, too. By now you may have noticed a small portion of the building has had the siding removed. This, too, is for the seismic retrofitting. All of this will insure the life of the building for many generations to come. In the next week the interior framing will have started and the new electrical and Audio/Visual conduits will be installed.

On July 12, Fr. Francis, Greg Cornell our Development Director, and members of the Development Board who have been working for years on this project met with representatives from many of the ministries and groups that are part of our parish. Over fifty people attended. Unfortunately, my participation was only through a short video I filmed while at Notre Dame for a conference on elementary school enrollment and through prayer. We are preparing more information to give you on Sunday, August 13 after all the Masses with a special campaign kickoff at 2:45 p.m. Hope to see you then!

FRUTO DE LA PALABRA

La semilla es la Palabra de Dios. Las metáforas de la agricultura en todas las lecturas de hoy brindan riqueza al mensaje de que la palabra de Dios, cultivada en nuestro corazón, produce mucho fruto en nuestra vida. La creación misma espera la redención de todos, hasta nuestro cuerpo aguarda la resurrección. Así como nos regocijamos por el cumplimiento de la Palabra de Dios, así la creación toda cantará de gozo en el Reino de Dios. La Palabra de Dios es eficaz y santa, produce exactamente lo que dice. No es inútil ni vacía, sino rica en significado para quienes la escuchan y son sanados. Quienes escuchan la palabra de Dios y la guardan, con toda la creación, darán mucho fruto y cantarán de gozo.
